

Membership Benefits

Access to reliable network services, including:

- Diverse 10 gigabit Internet feeds supported across redundant statewide rings
- Service goals of 99.99% network availability; 99.9% Internet availability; and 0% packet loss

24/7 monitoring and support, including:

- Re-routing traffic before campus impact
- Early detection of last mile circuit problems and reduced time to repair

Includes in-state service (IntraOhio), which:

- Reduces the cost of Internet services by keeping the traffic in-state
- Provides ability for schools to create back-up sites with other schools at no additional costs
- Provides high speed connections to services such as the Ohio Supercomputer Center and OhioLINK

Aggregate purchasing, which reduces costs below individuals' prices for services such as:

- Internet connectivity, including Internet2
- Software, including VMware
- Hardware

Access to shared service programs, including:

- Distributed co-location service the state
- Emergency web hosting services
- Identity management services

Participation in OARnet governance

- Advisory board and subcommittees guide OARnet strategic direction
