OARnet
Application Registration

Enable your organization to **receive critical maintenance** notices and submit trouble reports and requests through our Support Center (NOC).

1 Submit IP Ranges

- Submit your IP Ranges to be added to OARnet firewall at support@oar.net.
- Once they have been added to our system, you will be notified.
- At this time, you should be able to reach gateway.oar.net. If you cannot, please notify support@oar.net

2 Register

- Go to gateway.oar.net
- Click "Register Here"

3 Verification

- Requests are verified by the Support Center (NOC) with your Administrative Contact or your Business Relationship Manager.

4 Set Password

- Once your registration is approved you will receive an email asking you to set your password.
- Please check your spam folder.
- At this time, you have seven days to set your password.

5 Login

- Go to gateway.oar.net to login
- The first two users will automatically be set as Editors to make contact changes.*

Contact management information:
www.oar.net/resources/client_contacts

Gateway information:
www.oar.net/resources/gateway

*If you fall under a parent client or your Editors have left, OARnet may need to make you an Editor. You must follow steps 1-5 (including login to gateway.oar.net) before OARnet can make you an Editor.
